## THE PRICE OF PARADISE

It's time to turn your attention to the first thing you get to do as a married couple – go on honeymoon! If you're after a luxurious exotic hideaway, head for the Maldives – one of the hippest honeymoon spots on the planet – so make sure you pack your prettiest outfits and A-list sunnies (above and right). If your budget is limited, there's good news: Kuoni offers seven nights at the Lily Beach Resort & Spa from £1874pp, including flights, transfers, all meals (including mid-afternoon snacks on the beach with fresh juices and cold towels!) drinks, a visit to an uninhabited island and a fishing village, sunset fishing and snorkelling (kuoni.co.uk). Another great way of affording your ultimate honeymoon is to set up a honeymoon gift list service. Sign up on honeymiles.net and all your friends and family can send you to paradise. Bon voyage!
